ORDER

By separate order, this action was consolidated with two other actions. By **April 24, 2017**, Plaintiff **shall** file an amended complaint that sets forth all of its claims against all Defendants in this consolidated action. Further, to promote judicial economy and avoid piecemeal litigation, the court **denies without prejudice** the pending motion to dismiss in this case (Doc. 80). After Plaintiff files its amended complaint, Defendants will have an opportunity to file an answer to the amended complaint or otherwise respond in accordance with the Federal Rules of Civil Procedure.

It is so ordered this 23rd day of March, 2017.

United States District Judge
